For Morris Township Committee

*...because every good motion
deserves a second*

A Balanced and Open Committee

Today, 4-1 voting bloc denies a “second” to important motions and kills debate

- Open Appointments Procedures Ordinance for volunteer positions
- Pay-to-Play Ordinance so campaign contributors don't get special treatment

Listening and Planning WITH YOU

Appoint Committee liaison to neighborhoods — to listen

- Additional game quality fields for football, soccer, lacrosse
- Walk-able, bike-able streets
- Township-wide flooding and standing water assessment
- Traffic and speeding

Best use of YOUR local tax dollars

Reexamine local spending so your dollars give YOU best return

- Stop 7 % annual spending hikes
- Cut costs by sharing services, reducing personal use of fleet vehicles
- Reduce Township budget surpluses. YOUR un-spent money belongs in YOUR pocket

Elect RON GOLDBERG on November 6th

So good motions can be seconded and receive the public discussion they deserve
